

DAC HDMI 4K AOC 2.0

Overview

DAC's High Speed 4K AOC 2.0 HDMI Cable is engineered for delivering premium audio and video performance, featuring a reliable Taiwan chipset. Supporting 4K resolution at 60 Hz and a bandwidth of 18 Gbps, this cable ensures stunning visuals and seamless connectivity for a variety of entertainment setups. Whether for home theatres, gaming, or professional AV applications, the DAC AOC HDMI cable provides an exceptional experience.

Key Features

- **4K @ 60 Hz:** Enjoy crystal-clear 4K video with smooth frame rates, ideal for movies, games, and streaming.
- **18 Gbps Bandwidth:** Supports high-speed data transfer for uncompromised video and audio performance.
- **HDCP 2.2 Compliance:** Ensures compatibility with the latest content protection standards for secure playback of 4K content.
- **HDR 10 up to 12-bit 4:4:4:** Delivers vibrant colours and rich contrast, enhancing your viewing experience.
- **Audio Return Channel (ARC):** Simplifies audio management by allowing audio to be sent back to the sound system via the HDMI cable.
- **3D Support:** Compatible with 3D content for an immersive viewing experience.
- **HEC & CEC:** Supports HDMI Ethernet Channel and Consumer Electronics Control for easy device connectivity and management.

Technical Specifications

- **Type:** AOC (Active Optical Cable)
- **Resolution:** Up to 4K @ 60 Hz
- **Bandwidth:** 18 Gbps
- **HDCP Compatibility:** 2.2
- **HDR Support:** HDR 10 up to 12-bit 4:4:4
- **Audio Support:** ARC
- **3D Compatibility:** Yes
- **Connector Type:** Standard HDMI Type A
- **Chipset:** Taiwan chipset for reliable performance
- **Length Options:** Available in 20 and 30 meters

Applications

- **Home Theatre Systems:** Perfect for connecting 4K devices to televisions and receivers, providing an immersive cinematic experience.
- **Gaming:** Ideal for gamers looking for high refresh rates and resolutions, ensuring fluid gameplay and stunning graphics.
- **Professional AV Installations:** Suitable for conference rooms and event spaces where high-quality audio and video are essential.
- **Streaming Devices:** Connects seamlessly to streaming devices for access to high-definition content with superior audio quality.

The DAC High Speed 4K AOC 2.0 HDMI Cable is an excellent choice for achieving exceptional audio-visual experiences, supporting the latest technologies for both home and professional applications.
